Mr. Allen W. Dulles
Central Intelligence Agency
Washington, D.C.

Dear Mr. Dulles:

I am writing you with regard to the possibility of your coming to Harvard to participate in one of our forums. We would be delighted to have you and have tentatively scheduled either December 5 or December 12 for our Forum on America's Security Program, hoping you would be able to come on one of those dates. Mr. J. Edgar Hoover has been invited to share the platform with you on that evening.

The Forum is a student organization at Harvard and, in that we are a non-profit organization, we are unable to give an honorarium but we do pay all expenses, including transportation, of our guests. Last year our guests included Aneurin Bevan, Archbishop Markarios, Eleanor Roosevelt and Harry Truman. This month we have had Ambassador Eban and Ambassador Menshikov as our guests.

Our audiences are composed largely of students and faculty and number around 1000. The forums are carried throughout the Boston area on local radio stations and sometimes they are televised. Following the main part of the program our policy is to have the audience ask questions of the main speakers.

There is a dinner at the Harvard Faculty Club preceding the Forum and a reception following the program to allow the guests to meet the students and professors.

We hope you will be able to come and I look forward to hearing from you in the near future.

Yours sincerely,

John S. Samuels
